10	The module has enabled the development of independent learning skills.	27	0.00	0.00	3.70	14.81	81.48	4.78

Total Score 48.00

11	What did you like most about this module and teaching?
	Class Discussion
	perfect teaching method
	Great class.
	My favorite class! it really help us to understand the theories, history and nature of the education perspectives.
	Makes us realise reality
	we were allow to give our views freely and it was respected
	creativity, the way the topics are taught, very interesting module/class
	LEARN THE REAL SPHERE OF THE EDUCATION SYSTEM VERY INTERESTING MODULE
	The content, the class spirit, the teaching style of Miss Pallavi, everything.
	Everything that is written on the MIS and much more
	Enables students participation and opinions and lecture deals with the reality of the educational system.
	Miss Pallavi was an excellent lecturer. her class was a very interactive class. There was more of class discussion and debate. it was a very productive class. the way she share her knowledge and notes with us was very perfect.
	EVERYTHING! the class presentations, assignments, class discussion, interesting readings,....best lecture ever.
	I like her willingness of teaching the students appropriately and the encouragement she gives us to learn more.
	I've liked how we are encouraged to think differently and to learn rather than to study.
	Learning a new atmosphere
	What I like most about this module is that it has helped me to develop many of my skills. The class was based mostly on interaction which was a very good thing.
	She is one of the best lecturers that i have ever met. She has a great teaching skill. She is very patient in listening to her students. Her lectures are very interesting.

Class Size : 31

11	<p>The module is extremely interesting but above all its thanks to Mrs Pallavi. At a young age, this woman is an amazing lecturer. She is nice, caring, open-minded, creative and critical at the same time. She allowed us to express ourselves fully.</p> <p>very interesting class. helps us to interact.. besides the way of teaching is very good.. helps students a lot</p> <p>evolution of education</p> <p>In this module , i have develop a skill and another perspective to see the educational system and i have come more critical in analysis .</p> <p>Handouts were useful. Ever ready to help while facing difficulties in understanding. There is always interaction between lecturer and student. Summary on handouts done, were very helpful. Teaching is easily understood.</p> <p>The handouts provided were useful. Explanation concerning the module was good. There was interaction among lecturer and students. The lecturer was ever ready to help when something was not understood.</p>
12	<p>Suggest possible improvements for the module in terms of teaching, delivery and contents.</p> <p>I have no idea she is perfect</p> <p>nothing</p> <p>No improvements.</p> <p>Their should be some powerpoints and videos</p> <p>no changes needed</p> <p>There is no improvement needed. This is the best class ever. Mrs Pallavi allowed us to talk and to express ourselves. For her, no answer was bad. She always saw something good in everything. She developed my presentation skills a lot.</p> <p>No improvements needed.</p> <p>THE TEACHING OF MISS PALLAVI IS EXCELLENT, SHE SHOULD BE OUR LECTURER IN THE THIRD YEAR TOO</p> <p>None, it is perfect. Interesting, comprehensible as well as understandable.</p> <p>i think the way she conduct the class is already good.</p> <p>i really enjoy her class.. very interacting and interesting.. keep it up</p> <p>the lecturer should not talk out of the subject, which she does in every class. she should be specific about the topic she's talking.</p> <p>On field work should be carried out as we study the educational system , i really think , we should go to various school and educational institution to study it</p> <p>No improvements needed everything is already well organised.</p> <p>Miss Pallavi is simply amazing. She's indeed a Holistic teacher and the type of teacher the Mauritian Educating System needs.</p> <p>no...</p>
13	<p>Any other relevant comments.</p> <p>----</p> <p>nothing</p> <p>Great lecturer and great class.</p> <p>No</p> <p>best class and lecturer</p> <p>Just want to say Thank you to the world's best lecturer, Mrs Pallavi. She makes woman proud. If the university consisted only of lecturer like her, every student would be happy to wake up early and to submit assignment on time.</p> <p>very appreciated class. was the best of all</p> <p>Best lecturer so far</p> <p>Miss Pallavi really help us to thinking practical and she also help us not only in her module but also with other module that we had difficult to understand. her personal attention she provide us encourage us to go toward her for help.</p> <p>she should not jump from one topic to another. when discussing one topic, she should focus on it, rather than shifting to another. also she does no even tell us that she has changed topic. her way of teaching is confusing</p> <p>Want this lecturer for other module of sociology next year.</p>

13	SHE'S THE BEST SOCIOLOGY LECTURER EVER.
	Thank you
	No further comments.
	The class has always been the best place for sharing views, ideas, likes and dislikes. This class has really helped me in constructing myself.
